Department of State,
Passport Division,
Washington, D. C.

Gentlemen:--

I enclose application of John Mitchell for passport, with \$1. in currency, the fee. This affidavit was forwarded to you a few days ago and returned by you to the applicant with a copy of the rules of your department bearing upon the subject. Mr. Mitchell was born in Franklin, Canada, while his parents were visiting there temporarily, his Father and Mother at that time being citizens and residents of the United States and both having been born in the United States. Of course under Section 1993 Revised Statutes, Mr. Mitchell was therefore a citizen of the United States and did not require to be naturalized. I supposed the affidavit, as I originally drew it, made this sufficiently plain by stating that his Father and Mother were at the time of his birth United States citizens, then temporarily in Franklin, Canada. I see, however, by your rule five, that there should be a further statement that the Father was born in the United States and resided therein. I have interlined these facts in the affidavit and have re-sworn the applicant to the same, under date of December 30th., and have exhibited the same to John F. Wedow, the witnesses, who says that it is in all respects correct. Mr. Mitchell is anxious to receive this passport as speedily as possible because he expects to sail for Europe within a short time.

If you wish to learn anything further in regard to Mr. Mitchell, who is a prominent business man here and has been for years, please refer to Senator M. A. Hanna, who knows him well and has had business relations with him for many years; or to our Representative, Hon. T. E. Burton.

If anything further is required, please advise me promptly, and greatly oblige.

Yours very truly,

Roguelles

Eureka, South Dakota. December 30th 1899

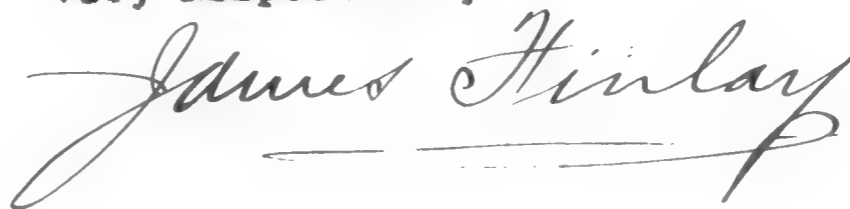

The Honorable Secretary of State

Department of State Washington D.C.

Dear Sir:

I beg to enclose Application for a passport for Wilhelm Moser together with his final Citizen papers. The form I have used is one which I have altered to comply with the statement required by the Department as far as possible. It is the only form I had and is the Native Citizen form changed to the requirements of the Naturalized Citizen form the reason being that Mr Moser is on his way to New York and had not time to wait here for an answer. I understand he is on his way to Odessa Russia to get married. I hope under the circumstances that you will overlook the use of this form and send the Passport to Oelrichs & Co New York so that he can take the Ship for which he is booked from here. If you desire reference as to reliability I would mention Senator Kyle.

Very Respectfully

Gentlemen:--

Your communication of 5th instant addressed to Messrs. J. W. Hampton, Jr. & Co., of this city, who forwarded my original application for Passport, dated January 4th, has been referred to me, and I herewith enclose you a corrected application in which I swear that I arrived in May 1861 instead of May 1862 as originally states, this error in the date of my arrival was caused by a miscalculation by me of the number of years that I had been in the United States, and the date as now given agrees with the issuance of my naturalization papers in Pittsburgh in September 1866.

I trust this explanation will be satisfactory and would ask you to send the Passport and my naturalization certificate to Messrs. J.W. Hampton, Jr. & Co., No. 420 Library Street, Philadelphia.

Yours Respectfully,

May Livingston

Hon. Thos. H. Tongue,

Washington, D. C.

Dear Sir:

IN RE APPLICATION OF LEE TUNG YIN FOR PASSPORT.

Referring to your letter of the 28th ult.:

We hand you herewith formal application of Lee Tung Yin for passport, accompanied by affidavit of Messrs. Jas. S. Reed and Thos. Connell to the effect that he was born here. The identification certificate annexed to the application is signed by Mr. J. R. Finley. All of these gentlemen are well-known citizens of Portland. Mr. Reed is an insurance agent, Mr. Connell is vice-pres't of the Ainsworth National Bank, and Mr. Finley is an undertaker.

We cannot send any certificate of birth. By ordinance of this city, births are now required to be registered; but there was no such requirement in 1874, when Lee Tung Yin was born, nor for many years afterwards.

We also inclose express money order for one dollar, payable, as required by the rules, to the Disbursing Clerk of the Dept of State.

Kindly take the matter in hand and do what you can to have the passport issued as soon as possible, as Lee Tung yin intends to leave for China at an early date.

If his photograph is required or will be of assistance, you can doubtless furnish it, as we sent you two, unmounted, with our former letter.

With thanks for the information furnished, etc.,

your truly William H. Cross

Kindly attach to the enclosed passport of W. H. Osborne the ^{fact} ~~effect~~ that he will be accompanied by his wife whose name is Isadora. I think my application reads that he will be accompanied by his wife, but I did not mention her name. Is this necessary. Please let me know. Also the family of Mr. Osborne will be accompanied by the maid. Can this ^{maid} be entered upon this passport or will it be necessary that she should have a document of this kind? Your answer will be very much appreciated.
